

MAGENTO 1 TO 2 MIGRATIONS

SD's M1 to M2 Migration offering for Magento Commerce makes upgrading a legacy site to Magento 2 as stress-free and seamless as possible, leaving merchants the time to focus on what's important.

SD is a NYC based Magento Enterprise Partner since 2008. We specialize in large-scale enterprise, stationery, footwear, home furnishings, jewelry and accessories, high fashion, and luxury goods site builds.

With offices in NYC, South Florida and Los Angeles we're able to provide service throughout the US and globally.
